**Proof of identification –**

Passport (must be passport if born outside UK), full driving licence, or British birth certificate if do not possess either of the first two.

**Outside EU** – current passport including a current residency visa is required with at least 6 months coverage from the time of registering.

If you have a student visa, we require acceptance paperwork from college or university.

If you are on a work permit, we will need to see that too.

**Inside EU** – current passport or EU ID card, employment contract or wage slip.

If from Poland, Estonia, Latvia, Bulgaria, Slovenia, Hungary, Slovakia, Czech Republic, Romania and Lithuania you are required to register under the workers registration scheme and will need to bring this Home Office paperwork with them.

**CHILDREN FROM ABROAD** – Parents/Guardians are required to bring in Child Immunisations Records for any child under 5 years old.

You are encouraged to attend a ‘New Patient Health Check’ with one of our Health Care Assistants.

All documents are verified through the Home Office-
